## **MEMORANDUM**

To: Linn County Commissioners

From: Sheriff Michelle Duncan

Date: 8/27/24

Re: R&O 2024-281, Amendment 7 to 2015-206

This amendment reflects a small increase in funding from the State of Oregon to the Department of Corrections regarding their ability to rent beds at the Linn County Jail. The current contract states the jail will make 20 beds available to DOC to house parole and probation violators through the courts and through the Parole Board. The new contract simply increases that number to 21 beds.

### **MEMORANDUM**

To:

Linn County Board of Commissioners

From:

Captain Andy Franklin

Date:

August 27, 2024

Re:

Resolution & Order 2024-290

This Resolution and Order is for a Temporary Part-Time Employment Agreement for the position of a Background Investigator.

To:

Linn County Board of Commissioners

From:

Captain Andy Franklin

Date:

August 27, 2024

Re:

Temporary Employment Agreement – Resolution & Order No. 2024-293

This Resolution and Order is a Temporary Part-Time Employment Agreement with Sarah Shelton. Sarah Shelton has been the Communication Manager at the Linn County Sheriff's for approximately 5 years and is terminating her employment due to moving from the area. The contract allows Sarah to provide technical support and guidance to the Dispatch Center which will assist the new Communication Manager in learning the technical aspects of the position.

## **MEMORANDUM**

To:

Board of Commissioners

From:

Captain Erik Slinger

Correction Programs Commander

Date:

August 21, 2024

Re:

Resolution & Order 2024-300

The following items are scheduled to be heard on August 27, 2024

#### Resolution & Order 2024-300:

This R&O is for a new contract with Around the Clock (ATC) Healthcare Services to help hire a Mental Health counselor. ATC will supply us with potential candidates for the mental health position, from a temporary to a permanent hire. This contract will allow us thirteen weeks during the temporary phase to evaluate and train the potential new counselor. After the temporary phase, the counselor would be hired as a full-time Linn County employee.

#### Financial Impact:

The financial impact to the county will be \$33,800 during the temporary hire phase of the counselor and the completion of the temporary phase per the ATC contract there is a direct hiring fee of 20% of the staff's annual salary.

# 2024 Linn County Fair Report:

From: Kris Barnes,

**Director, Linn County Fair & Expo Center** 

Date: July 23, 2024

The Linn County Fair upholds and promotes the rich agricultural heritage, educational initiatives, commercial activities, and family entertainment for the residents of Linn County. Serving as a source of community pride and a popular attraction for visitors, the fair's success hinges on the support of the community, dedicated volunteers, strong leadership, and a clear vision. These elements collectively contribute to maintaining the fair's reputation as one of the premier county fairs in the state.

#### VI. Reports

A. Fair Comparison Reports

**I. PERFORMANCE AND OVERALL FIGURES:** 2024 attendance was 25,602 down 4% from 2023. This fair was a hot three day run with the average high temperature over the fair being 90 degrees just off the hottest fair on record last year at 93 degrees. Even with the heat we saw a good turn out as it still is in the top five attended fairs on record.

Strong revenues were realized in the food court, beer garden and sponsorships. Each experienced near record overall numbers for the run of the fair. Cash and in-kind sponsorships exceeded the goal once again with new record numbers due to outstanding efforts by Scott Schuler and staff's strategic planning to increase our community outreach and partnership base.

We are in year two of our gate price increase for the Fair. Admission prices increased from \$7 in 2022 to \$10 in 2023. We have not seen a pushback on these prices as attendance continues to be solid with are pricing structure still below the state average for the industry. Parking remained at \$5 and last saw a price change in 2013 from \$4. The Linn County Fair is budget friendly and provides top quality fun and entertainment at a low cost to fairgoers.

4-H and FFA continues to grow year over year. We continually reconfigure our barn layout to match the higher numbers of animals and pens that are needed. 2024 had 590 exhibitors with 2,454 animal show entries which include the following numbers for the run of fair:

•	Cattle 4-H/FFA	128	•	Meat Goats 4-H/FFA	156
•	Cattle Open	52	•	Sheep 4H/FFA	253
•	Dairy Cattle 4H/FFA	23	•	Sheep Open	86
•	Dairy Cattle Open	2	•	Swine 4-H/FFA	263
•	Dairy Goats 4-H/FFA	84	•	All Small Animals (Santiam)	456

4-H Livestock Auction on Saturday drew solid crowds and record entries. 404 animals made their way across the auction block compared to 344 in 2023. The 2024 auction committee combined lots this year to reduce the overall length of the auction. 4-H auction finished at 5PM well under last year's auction time. Buyers were happy with this change. The conclusion of the auction saw \$1.2 million dollars raised. Just short of the 2023 record.

A. REVENUE AND COMPARISONS:	2023	<u>2024</u>	
<ul> <li>Attendance</li> </ul>	27,327	25,602	-6%

#### B. CONCESSIONS: (12 Total food booths)

Overall food sales were down slightly \$278,400 from 2023 \$282,849. Bar sales also saw a slight drop this year at \$117,683 compared to \$133,479 in 2023. Overall attendance was down this year as the hot weather over a long stretch kept fairgoers away. Patrons enjoyed the courtyard live stage as the area was full most of the day. Food booth prices remained relatively consistent with last year with minor, but no, significant changes.

#### C. VENDORS: (85 Total commercial booths)

The commercial vendor booth revenue increased slightly this year and continues to see positive numbers and more interest. New vendors are needed to spice up this area and bring new life to the vendor hall both inside and out. Traffic flow into this area is slow. We are looking at ways to boost interest from fairgoers. Vendor suggestions to help increase traffic to the hall included adding an attraction just inside the glass doors to boost the visitor counts to the building. Staff will be working on a solution for 2025.

#### D. CARNIVAL:

Davis Shows continues to be a great partner featuring 18 exhilarating rides for young and old. The carnival was up 9% and experienced steady attendance during the day and packed evenings. Advance ticket sales were equal to last year as most purchase onsite tickets and wristbands on impulse. This is an area where a retail outlet sponsors and new promos can increase our sales. We added ticket options to our sponsorship packages with positive results.

**II. ENTERTAINMENT:** The Linn County Fair is extremely proud of the first-class entertainment offered to the public. Nowhere else can a family enjoy so much variety of artists, activities, exhibits and events for such a great value. The Fair is a place where individuals and families experience unique entertainment that is hard to find anywhere else.

#### A. CALAPOOIA ARENA:

**EVENTS:** This year offered two free shows of major entertainment. The lineup featured some of the best in rodeo action and family entertainment which provides a great draw for the Fair. On Thursday we had the Hell on Hooves Tour 90 minutes of rough stock rodeo. On Friday was the always popular Wild N' Wooley rodeo for kids and family. Local participation in this event is what keeps bringing people back year after year.

#### **B. CONCERTS:**

Due to the high demand for our reserved seats we increased the seating by 75% in 2023 adding another 350 reserved seats in the grass. This section was sold out for the 2024 Thursday Concert (Lonestar), Friday concert (Lead Singers of Classic Rock) had lower sales and the grass seats were pulled. On Saturday (Chris Lane) we added 4 rows to the grass seating due to strong day of show sales. Concert sales for 2024 were strong but off 2023 numbers.

- Thurs: Lonestar @7pm SOLD OUT
- Fri: Lead Singers of Classic Rock @7:30pm CONCRETE SECTION ONLY
- Sat: Chris Lane @7pm Added 4 rows to the grass.

#### C. COURTYARD STAGE:

Courtyard Stage located in the food pavilion. This stage was filled with live entertainment throughout the day to keep the fairgoers engaged and entertained. Local talent was vetted through our online registration form. We had three acts on the stage daily with several performing more than once, keeping the stage active all day long. All performers were extremely well received.

List of acts:

- The Junebugs
- Stereo Chickens
- Community Musicians

D.	NOTES / ITEMS OF THOUGHT:

#### **E. GROUNDS ENTERTAINMENT:**

What truly makes the Fair entertainment experiences special is not only the major entertainment, but the wide variety of artists, exhibits and entertainers located throughout the Fairgrounds and offered free to the public. These artists and exhibits provide unique experiences for all ages:

**Off Axis Stunt Show** 

**Eric Haines** 

Megan the Bubbleologist

Party Perfection Face Painting

Peppy's Water Palooza

Slim & Curley

Puzzlemania

**Circus Imagination** 

#### **III. OPERATIONS/LOGISTICS:**

#### A. GROUNDS/VENUES:

The Linn County Expo staff / Road Department and temporary labor force spend months before each Fair completing an impressive array of projects which significantly improve the venue infrastructure and efficiencies for the Fair. 2024 saw several major projects:

- Parking lot striping.
- Fencing off entire carnival area to help with securing the venue.
- Installing additional shower trailers to 4-H Camping area.
- Adding temporary stall rows for 4-H exhibitors to use as tack stalls.
- Assembling new picnic tables to increase seating capacity in the courtyard area.

#### B. LABOR:

A part time labor force of over 60 personnel was hired, organized, trained and managed throughout the Fair with great efficiency using staff and outside contracted agencies. The Fair job descriptions, orientation, and relaying information to employees was planned well in advance to better support the hiring process. The hiring was a very complicated process this year. Finding qualified individuals willing to work a short timeframe in a demanding environment is a challenging task. For some, the Fair represents their first job. For others, jobs are difficult to keep for varying reasons. This has always been a problem but seems to have increased the past several years.

#### C. ANIMAL HEALTH:

Animal health efforts remained a high priority. We continued to segregate our wash racks, barn layout, show ring schedule and our load-in and load-out schedules and procedures to ensure species separation. Additionally, every single animal entering the Linn County Fair received a visible health inspection prior to being stalled. The impact to the load-in schedule was minimal but the benefits were great. The Animal Health Committee of the Fair Board and the Fair veterinarians conducted fair animal checks and organized the procedures. This was to assist in the vet checks of every animal and to reduce the number of animals brought to the Fair with disqualifying health or appearance conditions. We did have some animal loss for 2024 as follows:

1 Pig

1 Turkey

2 Rabbits

#### D. LINN COUNTY MOUNTED POSSE:

The Linn County Sheriff's Mounted Posse is a volunteer organization, whose purpose is to assist the Linn County Sheriff's Office in the fulfillment of its mission. Each Posse member volunteers their time and provides their own horse, tack, and most of their own equipment. The Mounted Posse continued to be an important and valuable part of the Fair. This volunteer organization's patrol of the parking lots, walkways and gate areas often represents the public's initial Fair-going experience. They are integrated in all of our major events and assist with parking, traffic flow, crowd movement and security patrols around the grounds. More than 8 took part in volunteer shifts during the Fair.

#### E. SECURITY

The Linn County Sheriff's office, Mounted Posse, TCB Event Services and Celtic Security were all contracted to maintain order and show presence during the run of fair. All Teams did a tremendous job this year with both communication and professionalism.

Celtic was hired to manage the back stage and concert venue. Due to the increased numbers in our seating area we ordered additional security guards to patrol the concert venue to add additional eyes and support to help control the crowds.

TCB Event Services is contracted to do gate ticketing, bag check, parking and alcohol monitoring throughout the fair. No issues were noted in these departments. Changes were made to the parking que lines last year adding handheld scanners which sped up the parking intake. Average time per car through the parking gate was just over 5 seconds.

LCSO managed the grounds security during the fair and had a booth just inside the main gate entrance. Linn County Sheriffs again did a tremendous job with patrolling the grounds and greeting fairgoers. Their continued support of the Linn County Fair cannot be overstated. LCSO installed a mobile camera tower this year to help elevate and identify any issues in our main traffic areas. No issues were reported over the three days of fair.

#### F. MEDICAL / FIRST AID:

Linn County Health Department and Emergency Management teams assembled staff with the guidance of Eric Anderson. They were well positioned just inside the main gate next to the LCSO. We had several reports of heat related issues that required onsite treatment and a several cuts and scrapes needing bandages. No transports were reported. Eric Anderson's team was always monitoring radio traffic and ready for action when needed. Linn County Health, with the help of AFD worked the arena events Thursday and Friday. Their presence and being ready to help in the event of an accident is an important assignment for these events.

**IV. MARKETING:** Strategies for 2024 were mainly focused on social media platforms. Minimal print advertising was used with the exception of a few publications. Mom Magazine ran a Familyland fair ad for the months of June and July. We also ran an ad in the Points for Profit publication.

Social Media platforms used were Facebook, Fair Website and Instagram. Linn County Communications Officer Alex Paul managed the posts and media on Facebook along with Expo staff member Rachel Lytle. Facebook interaction was at an all-time high this year with their great work before during and after the fair. Online contests were used for concert sales and gate marketing. Even more in this department is slated for 2025.

Radio Advertising was done on KRKT, KLOO, HOPE and KGAL / KSHO. KRKT ran live contests for prize packages including reserved seats. Scott Schuler was the voice of the 2024 Linn County Fair.

Prerecorded sponsor announcements ran inside the Willamette building and outside in the courtyard and Familyland. These announcements played every 45 minutes throughout the day starting at 11:30AM and ending at 6:00PM. Included with these announcements were highlighted attractions and event schedules

#### A. SPONSORSHIP:

We had an increase in sponsorships this year due to the great work of Scott Schuler. Continued support from long standing partners and the addition of many new and future sponsors puts us in a position for continued success for many years to come. Total cash sponsorships were a record at \$204,980 beating last year by over 28%. Staff worked closely with Scott and implemented new strategies to increase participation and sponsorship levels.

#### **B. PROMOTIONS:**

Several promotions were ran leading up to fair to entice fairgoers to get their tickets early and get the word out that fair is coming soon. Coastal Farm partnered with us to run a special ½ off GA tickets. 2000 ticket were allotted to Coastal for this promo. Sales cards were provided at the registers promoting the fair and special. Coastal Farm kicked in the other half of the ticket cost as part of their sponsorship. This special will be increased to other partner locations next year.

Linn County Fair ran presale specials on our website with carnival and admission packages as well as early bird carnival wristband offerings.

#### C. ICE CREAM SOCIAL

Our Ice cream social has a long history with the Linn County Fair and the many seniors who come every year to enjoy it. The event location and time was moved to the lobby to better match the senior bingo event starting at 11 on Thursday. This location provided a welcome break from the heat as the lobby is air conditioned. Those in attendance got a treat from the popular Linn County Commissioners and Linn County Sherriff who gave their time to serve the community bowls of vanilla ice cream provided by our sponsor Umpqua Dairy and the many delicious topping provided by the Linn County Fair. We may want to reconsider the venue change and move it back to the sponsor pavilion and change the time back to 2PM to ease the transition from bingo to the social.

#### D. SENIOR BINGO

Senior bingo was held this year in the cooled Willamette building lobby. Over 80 seniors participated on Thursday starting at 11AM and was put on by Charlie Eads of KGAL/KSHO (Sponsor). Many prizes were given away during the run of bingo.

#### V. NEW FOR 2024:

#### A. FENCING:

Linn County Fair and the Linn County Expo teamed up to purchase additional fencing to enclose the carnival area. This was helpful in meeting our goal to keep alcohol out of that area and to provide better security to the younger carnival crowd

#### **B. ALCOHOL FREE ZONES:**

New policies and signage were instituted to keep family areas free of alcohol. Signage was placed as a visual barrier before entering these areas and additional security and monitors were placed to keep watch. A HELP US MONITOR number was instituted for fairgoers to call if they see alcohol being consumed in these free zones. This number went directly to security dispatch for immediate response by one of our many security team members.

#### C. PREMIER EXPERIENCE PASS:

We added a new way to experience the Linn County Fair with the Premier Experience Pass. This pass cost \$250 and included Day Parking, Admission Pass, Carnival Wristband, Row A Concert Seat, Meet N Greet, \$50 Food Voucher, Signed Poster and Linn County Fair Swag. We sold 6 total passes for \$1500 in added revenue. All passholders reported very positive feedback.

#### **VI. REPORTS:**

Re: ITB 2024-250 Sweet Home RV Dump Recommendation

After reviewing the bids publicly opened on August 20, 2024, the Linn County Parks and Recreation Department would like to recommend that Linn County enter into a contract with the lowest bidder, Knife River Corporation-Northwest, to build the Linn County Parks Sweet Home RV Dump facility on 24<sup>th</sup> Street. The Knife River bid was the lowest bid by \$4871 at \$690,791.

The Parks Department is confident that Knife River Corporation-Northwest is capable of completing the project within the construction window on the invitation to bid and will have the work completed by the March 15, 2025 deadline. Knife River is a large corporation, but has a Linn County presence, operating out of their site in Tangent, and has taken on previous projects for the County. Knife River has also been involved with prior projects on their former site, where the RV dump project is located.

I have attached a summary of the bids received for your review.

Enc. Bid Summary

# Linn County Sweet Home RV Dump Project Bid Summary ITB 2024-250

## Company Name

Subject: Resolution & Order #2024-303 Request Approval to Award Roofing Contractor

Resolution & Order 2024-303 requests the Board's approval to award the ITB to re-roof the 7th Avenue building. The selected contractor met all ITB requirements and also submitted the most competitive bid. This contractor has no outstanding issues with the Construction Contractors Board and no restrictions on bidding for public contracts.

Our roofing consultant, A-Tech/Northwest Roof Consulting, LLC has extensive experience with the selected contractor and has unequivocally recommended them based on their track record and successful project completion history. Attached is a summary of the bids received and a recommendation letter from A-Tech/Northwest Roof Consulting, LLC that fully supports awarding the contract to this contractor.

I am confident in the consultant's recommendation. A-Tech/Northwest Roof Consulting, LLC, our has thoroughly examined the existing roof. successfully orchestrated over eight of our major re-roofing projects in recent years. Over the last 19 years under my leadership, General Services has consistently delivered successful and withinbudget projects, and I am fully committed to ensuring the same for this critical endeavor.

We appreciate your prompt attention and approval of this request. Thank you for your time and consideration in this matter. We are working within a time installation window before winter rains return to the valley.

RE: LINN COUNTY – 7<sup>TH</sup> STREET BUILDING REROOF
- Bid Review/Recommendation - ITB 2024-259

#### Russ:

Attached is the Linn County  $-7^{th}$  Street Building summary spreadsheet of the bids for the 2024 Single-ply Reroof project on this facility. Thirteen (13) roofing contractors attended the pre-bid meeting and eight (8) contractors submitted quotes. The attached spreadsheet indicates the contractor's bids, as well as breaks out the key categories that are on the Pricing Submittal Form documents.

The attached spreadsheet breaks out the key categories on the Bid Form. Our recommendation to award the project to Roof Toppers is based on the quality of their workmanship on other reroof projects and their history of running projects without numerous change order requests. It is our opinion that they can complete the specified work in a professional and acceptable manner within the quoted price.

Based on this review of the bids, our recommendation is to award the work to the low bidder Roof Toppers based on their Base Bid #-1 at \$ 244,685.00. This includes the cost of the performance & payment bonds.

We highly recommend awarding the project to Roof Toppers as we do not anticipate any change orders on the project. If an unknown arises, Roof Toppers' ten (10) percent cost plus rate is an acceptable rate and ten (10) percent lower than the next closest bid.

If you agree with our recommendation, please advise us ASAP as to which option, if other than the base bid, you want to proceed with. Upon award of contract, we will expedite the submittal approval process and schedule the pre-construction (*pre-job*) meeting, etc.

Sincerely,

A-Tech/Northwest, Inc.

David Anderson (electronic)
